

# Straitjacket

Raleigh Ritchie

Hold me for a minute  
I'm just that far away  
From being considered  
Clinically insane  
I need your attention  
Affection is my way  
Out of the danger zone

I feel no lightness  
Days like this are priceless  
Given myself licence to indulge in all my vices

Woah, don't go  
Withdrawal is my soul  
Weakness, I'm cold  
Smoke draws  
Smoke blows from my nose  
And keeps me warm  
I know where I'm going  
I've seen limbo before

Straight jacket  
Put on my straight jacket  
I'm on a different planet  
Let it go, don't panic  
I'm fine  
Can't hack it  
My mind is at it again  
I'm manic, I'm manic  
Straight jacket  
Put on my straight jacket  
I'm on a different planet  
Let it go, don't panic  
I'm fine  
Can't hack it  
My mind is at it again  
I'm manic, I'm manic

Split right down the middle  
And half of me is fine  
My mind is a riddle  
Typical Gemini  
Star signs are my excuse  
To hide this type of self abuse

I feel no lightness  
Days like this are priceless  
Given myself licence to indulge in all my vices

Please don't mind me  
I'm on borrowed time  
It's space I need to validate my life  
I wanna roll with the punches  
Go rouge, programming  
Change no I don't want it  
Wanna break out  
No I put my straightjacket on

And go home  
I don't wanna be here no more  
I don't wanna go

Straight jacket  
Put on my straight jacket  
I'm on a different planet  
Let it go, don't panic  
I'm fine  
Can't hack it  
My mind is at it again  
I'm manic, I'm manic  
Straight jacket  
Put on my straight jacket  
I'm on a different planet  
Let it go, don't panic  
I'm fine  
Can't hack it  
My mind is at it again  
I'm manic, I'm manic

The devil's in my head  
Stirring up a mess  
Taking advantage of my unsteadiness  
My readiness for death  
The vans are pulling up  
Fuck if I know why  
I'm hearing cuckoo clocks  
I'm seeing angels in the sky  
The war is almost started  
The cavalry's on time  
Fight amongst the foot soldiers  
But the war is in my mind  
The war is in my mind

Straight jacket  
Straight jacket  
Straight jacket  
Don't panic  
Straight jacket  
Straight jacket  
Don't want it
