

Structure (Interlude)

Raleigh Ritchie

I need structure
More instruction
So I don't run to
Self destruction
I need promise
And I need hope
I need modest
'Cause I can't cope
I need emotion
When I'm against the ropes
When I am broken
Be my antidote

Evolution
In the making
Used to break shit
Now I make things
And next time my
Heart is breaking
Or my brain hurts
I won't break things

When I'm running out of steam
I need balance and belief
When I falter to my knees
Now I know just what I need
I need
