

# Calm Down Ralo

Ralo

Yeah! Ah! Yeah! Imma need someone to calm me down  
I miss Frank Lucas. Pablo Escobar. I'm Pablo, nigga! Ah! Ah! Ah! Ya!

Hello, good morning America  
I sell the dope in the area  
I got the game I can't give it back  
I don't go out bad  
I can't live with that  
We send em shots where your children at  
We shoot wherever you're living at  
I don't make no deals you gone deal with dat  
Fuck how you feel we ain't feelin dat  
We come to your block and leave you on the curb  
We'll get this fuck niggas what they deserve  
All of my shooters just wait on my word  
We shoot that bitch up from the first to the 30th  
Get glocket in the club and you won't make it home  
My niggas with it what ever u on  
(Talk all that shit that you said on that phone)  
We gonna do all of these fuck niggas wrong  
They want the realest they after me  
None of these rapper they half of me  
I run the shit like a ath-e-lete  
These niggas sweet as a cavity  
None of ya rappers ain't sellin no dope  
I'm the lil nigga dat gave niggas hope  
You bought those juvelery I (ruggas?) and shove  
I bought my jevelery on robbin and dope

Imma need someone to calm me down  
I'm at the top I'm not comin down  
Dem niggas think they got money now  
They gonna get robbed if they come around  
(We gonna take all these niggas shit they come round here nigga)  
Ya'll fuck niggas wouldn't make it where I'm from nigga, I promise  
Let's do it

None of these rappers will make it with us  
Them niggas had to be patient with us  
They just be rappin and makin shit up  
Tell em that I'm the realest no one to bluff  
I'm the real Tony Montana  
Tell all my kids that I'm Santa  
I do not gamble  
If I loose any (of) my money  
I'm comin back with the hammer (yeah!)  
These niggas know not to play with me  
You better watch what you say to me  
I take those straps every day with me  
I promise my shooters stay with me  
Say I'm Frank Lucas I'm through with rappin  
My dope is better than Blue Magic  
You better go ask about Ralo, bitch  
I promise they tell you I'm 'bout that shit  
Where the fuck these niggas came from  
Where the fuck these niggas came from  
If he come around with them chains on

I bet he gonna leave with them chains gone  
We go to war with whoever  
My niggas shoot who I tell em - don't make me tell em  
If you ever fuck with my fellas  
He better not let me catch em  
He know my niggas gonna blast em

Imma need someone to calm me down  
I'm at the top I'm not comin down  
Dem niggas think they got money now  
They gonna get robbed if they come around  
(We gonna take all these niggas shit they come round here nigga)  
Ya'll fuck niggas wouldn't make it where I'm from nigga, I promise  
Let's do it

Imma need someone to calm me down  
I'm at the top I'm not comin down

Imma need someone to calm me down  
I'm at the top I'm not comin down

I'm at the top of this shit, nigga  
I'm at the top I'm not comin down  
I promise you I ain't comin down, nigga  
I'm at the top I'm not comin down  
Imma be real forever, nigga
