Circles

Ralo

Yeah
You better keep the squares out your circle, yeah
I give everything that I got, yeah
I give everything that I got, yeah
(Goose with another one)

I give everything that I got to get where I'm goin' (yeah)
Before I even enter the race, I already won (yeah)
They know that I run circles 'round these niggas (yeah)
They know I run them circles (yeah, yeah, yeah)
You better keep them squares out your circles 'cause they'll hurt you
It's hard to trust a person 'cause personally, I ain't perfect (no)
I don't regret shit that I did, that shit was worth it (yeah)
I made my mama happy, bruh, she happy that she birthed me (she happy for me)

I couldn't go back to school, them streets was callin' for me (yeah)
I had to answer for 'em, where that paper goin'? (yeah)
The first nigga tried me, I damn near took his life (grave)
And then I seen him in court, that shit wasn't lookin' right (what? nah)
How the fuck you tell on a nigga that stood their ground? (ground)
How you keep your head up, bro, and you've been lookin' down?
They looked down on me (damn, yeah, yeah)
They looked down on me (that's fucked up, right?)
Yeah, I got more money than bitches I went to school with (yeah)
I done took some losses, but it don't look like I lose shit (no)
I just got a problem, I'm always tryna go prove shit (yeah)
If you still my partner, don't fuck with folks I ain't cool with

I give everything that I got to get where I'm goin' (yeah)
Before I even enter the race, I already won (yeah)
They know that I run circles 'round these niggas (yeah)
They know I run them circles (yeah, yeah, yeah)
You better keep them squares out your circles 'cause they'll hurt you
It's hard to trust a person 'cause personally, I ain't perfect (no)
I don't regret shit that I did, that shit was worth it (yeah)
I made my mama happy, bruh, she happy that she birthed me (she happy for me)

I told my bitch she better not never give away that pussy (no)
You better not ask me where I'm gone, you know I'm out here juugin' (yeah)
You know I'm out here hustlin', you know I'm out here strugglin' (yeah, yeah
)
But I'ma get it right, I'm comin' home tonight (what? yeah)
You know I eat that pussy every time I get a break (yeah)
'Cause every time I lick my lip, I just want me a taste (yeah)
Can you let me taste it? I'm just tired of waitin' (come on, yeah)
Yeah, I'm just tired of waitin'
Got tired of waitin' on them niggas said they gon' do somethin' for me (yeah
)
Every time I ask a question, they try to switch the subject (what?)
You know I see through that shit, I just act like I'm blind (yeah)
I cannot fuck with them niggas, them niggas not my kind (nope)

I give everything that I got to get where I'm goin' (yeah)
Before I even enter the race, I already won (yeah)
They know that I run circles 'round these niggas (yeah)
They know I run them circles (yeah, yeah, yeah)
You better keep them squares out your circles 'cause they'll hurt you

It's hard to trust a person 'cause personally, I ain't perfect (no)
I don't regret shit that I did, that shit was worth it (yeah)
I made my mama happy, bruh, she happy that she birthed me (she happy for me)

Yeah, uh
(Goose)
I give everything that I got
(Goose)
I give everything that I got (on everything)
I give everything that I got (on everything)
Yeah
