Tell 'em I won't quit even if I was a billionaire
Ask around the hood, they gon' tell you Ralo really there

Don't think 'bout robbin' this shit, you won't get far with that shit
I don't have a shooter, I might have to shoot my shooter dog
You wouldn't try this shit if you knew the shit I do to y'all
I never been scared of the monsters, the monsters scared of me
Don't make me get out of my character, I'm trying to better me

They can do all the hating they want but I bet they respect it
I'll never die 'cause when I die I'm gonna die a legend
You never see the part or thought I would sell bricks in heaven
