Ralo

(Cash Clay)

Ralo, uh, Fam', Goon  
Yeah

Tell my niggas sittin' in prison they my motivation (Yeah)  
I got the label to wire millions when I seen inflation (I did that)  
Don't ask me why I sold dope, that was my occupation (Yeah)  
Don't do corroboration, it's just my operation (Yeah)  
Shit on all of 'em (I did)  
This shit here mean the world and me, at night, miss all of them (Yeah)  
Go ask the lions and giants that I stand tall with them (I did)  
They know I did that shit (Yeah)  
Go ask the opps about they block, they know I slid that bitch (I did)  
The fuck you talkin' 'bout, nigga? (What?)  
Every nigga call me a rat, been scared to call my nigga (Yeah)  
Them niggas scared they gon' get whacked the day they come out, nigga  
(Yeah)  
Don't get scared now (Nah)  
They know an elephant in the room, I'm out the feds now (I'm him)  
They know I step on shit (I do)  
Them niggas'll never tell you about the money that I done helped them  
get (No)  
What about the times when I done helped them when they was on they dick?  
(I did that)  
Oh, they forgot about that? (Yeah)  
I gotta tell you (Yeah), you the fakest bitch I ever met (For you)

You my motivation

They know the opps gon' get 'em dropped when I get they location (Yeah)  
They know this shit won't never stop, I built up that foundation (No)  
They know we do that shit (We do)  
Put all them fuck niggas together and we'll run through that bitch (I  
promise)  
This ain't no common law (Nah)  
Go get them fuck niggas up and ask 'em what I done to y'all (I did)  
Go check the paperwork, I promise we had guns and all (Yeah)  
He got a year and a day, but I'm the one they callin' out (Damn)

That shit fucked up, but I'ma keep my mouth closed (Won't say a thing)  
They ain't gon' never tell you about the niggas that really told (They  
ain't gon' tell you)  
They ain't gon' never tell you about the murders that went cold  
I guess it's safe to say (What?) somebody kept they mouth closed (Yeah)
