

Prison Rest

Ralo

Yeah

FamGoon

Ralo LaFlare, yeah, uh

They told me I was lucky, I told 'em that I was blessed
If you ain't out here hustlin' then you don't want your success
Every day I'm out here workin', I'm lurking, tryna progress
I swear my hands and knees is hurtin', I cannot get me no rest

I swear the only time we sleep is when we go to jail
I'm never going broke as long as they got dope for sale
I keep that hammer, if you touch me, you gon' be the nail
I never ran from no man unless that nigga 12
Ain't no competing, if we beefing, you know we gon' beat it
It ain't no secret, we come squeezing, bitch, we undefeated
Ayy, fuck the law and fuck these niggas that's been workin' with 'em
They better free my ahk, I promise I'll make Kirky get 'em
I told myself that I promise to never go out bad
I never lied to myself and that's a proven fact
And if they want me, come get me, I'm never hidin' from nothin'
Don't never tell me come to you, I only move for money

They told me I was lucky, I told 'em that I was blessed
If you ain't out here hustlin' then you don't want your success
Every day I'm out here workin', I'm lurking, tryna progress
I swear my hands and knees is hurtin', I cannot get me no rest
I swear the only time we sleep is when we go to prison
I swear the only time we sleep is when we go to prison (We don't get no motherfuckin' rest out here, nigga)
I swear the only time we sleep is when we go to prison (We don't get no sleep, nigga)
Yeah, that's the only time we sleep (Ain't no rest out here, partner)
Ayy, that's the only time we sleep

I might not sleep in a million years
The feds tried to give me a million years
My mama gon' cry a million tears
They gon' leave her with a million bills
They got some pressure for nothin'
I ain't confessin' to nothin'
They ain't gon' catch me with nothin'
They ain't gon' catch me with nothin'
I got a registered gun
They tried to check me but they couldn't do it
Fuck Hollywood, I'm still in the hood
They know I'm in Pakistan, that's understood
Ayy, I'm the bad guy, Dex doin' good
Ayy, I'm the bad guy, I bring the bag out
I bring the Jag out, how I'm gon' back out?
Niggas is mad now, I got the bag now
I come to your club, that motherfucker packed out
You gotta pay just to see me, nigga
They put a gangster on TV, nigga
I lost count how many bricks I sold
Before the shows I was kicking doors
You don't know how much shit I did
The rest of these rappers is still pretend

If I had to do it, I'd do it again

They told me I was lucky, I told 'em that I was blessed
If you ain't out here hustlin' then you don't want your success
Every day I'm out here workin', I'm lurking, tryna progress
I swear my hands and knees is hurtin', I cannot get me no rest
I swear the only time we sleep is when we go to prison
I swear the only time we sleep is when we go to prison (We don't get no motherfuckin' rest out here, nigga)
I swear the only time we sleep is when we go to prison (We don't get no sleep, nigga)
Yeah, that's the only time we sleep (Ain't no rest out here, partner)
Ayy, that's the only time we sleep
They told me I was lucky, I told 'em that I was blessed
If you ain't out here hustlin' then you don't want your success
Every day I'm out here workin', I'm lurking, tryna progress
