

They Know

Ralo

I don't know what the fuck these niggas be thinkin' of
But if they don't know what's up, I'm finna tell them what's up
You dig? (It ain't personal, baby, it's just business)
They know (Know), they know, they know (Cash Clay)
They know, they know

Be my goals (Be my goals)
Them niggas tried to put me down, but still I rose (Still I rose)
This ain't somethin' I had to choose, I was chose (I was chose)
I won't take it to my soul (Soul), take this shit here how it go (Go)
Led my men with eyes closed (Closed)
Leave this shit behind doors (Yeah)
Put me in a blindfold (Fold)
That don't mean my mind closed
Come again (Come on), I promise you I stood on ten (I promise)
This what made the boy a man
Ain't no nigga went to jail for me, what's the problem then?
They hatin' on me, same niggas used to hit that stage with me
Niggas know to talk behind my back, but they won't play with me
I'm hopin' they don't go to prison (Prison), Lord, I need K with me (K)
Lord, I need Sway with me (Sway), need you everyday with me
I'm alone in this war (War), I'ma take this to the door (Door)
They gon' kill me in this bitch, tell my bitch I love you more
Take this shit here to the core (Core), spin this shit until I'm poor (Poor)
Did this shit here out of love, I grab my mask and grab my glove, they know
what's up (Yeah)

Yeah, they know what's up (Yeah)
They know what's up, they know what's up
They know what's up (It's up), they know what's up (It's up, man, it's been
up, man)
They know what's up, they know what's up (They know)
They know what's up, they know what's up (They know)
They know what's up, they know what's up (Be and forget about the rest of th
em)
They know what's up, they know what's up
They know what's up, they know what's up (They know, they know, they know)
Them niggas know what's up

Them niggas actin' like they know me (Know me), they don't even know my past
(Nah)
If you know about lil' Terrell (What?), I'll drop your pussy ass (Yeah)
Went and bucked on Agent Nash (Nash), they answed questions that he asked (N
o)
But I'm still gettin' harassed (Why?) about bein' a fuckin' rat
Imagine goin' to prison (Prison), doin' a whole sentence
Just so you can keep your image (Image) and then a fuck nigga tell you you a
in't stand on business
If I ain't stand on business, all these niggas around this bitch'll have a l
ife sentence (Yeah)
You know what I know (You know it)
You ain't seen lil' bro no more, what happened at that store? (What happened
?)
I gave all these niggas loads (Loads) every time I got them 'bows ('Bows)
Coulda told on all the bros (Bros), they went and talked that I had told
I went and kept my mouth closed (Closed)
I'm sorry, Mr. Weed (Weed), they wasn't stuntin' no fuckin' weed, they only

wanted me (Me)
Manu Jones wasn't no plug, that nigga needed me (He did)
I let him borrow more money than he had ever seen (Seen)
Bro, your name ain't clean (Nope)
Came out here like a king, I never needed queen (Never)
Asked him how much this shit mean, I introduced him to the dean
Led all us to a dream (Dream), taught 'em how to be a team (Team)
Gave all them people wings, but now they think they fly as me (Yeah)

Yeah, they know what's up (Yeah)
They know what's up, they know what's up
They know what's up (It's up), they know what's up (It's up, man, it's been
up, man)
They know what's up, they know what's up (They know)
They know what's up, they know what's up (They know)
They know what's up, they know what's up (Be and forget about the rest of th
em)
They know what's up, they know what's up (They know)
Them niggas know what's up (They know, they know, they know)

They know what time it is (They do)
Went to prison all these years and still paid all my bills (I did)
Still bought my kids' gifts (Gifts), bought 'em pandas and the milts (Milts)
How many funerals I done paid for when these niggas done got killed? (Killed
)
But ain't nobody thankin' him
Every time I got a line, I done put all my niggas on (On)
Every time they drop a dime, I try to find out what they on (On)
They gon' learn right from wrong, like a brazy honeycomb (Honeycomb)
My lil' bitch been actin' crazy, I still fuck her like she grown
What you talkin' bout, nigga? (What?)
Since I came into this bitch, I never signed that nigga (No)
Nigga, what? (What?)
All these rap niggas fake as fuck
Back when Louis gave us up (Louis)
They was on that stage with us, but now they fuck they faces up (No cap)

They know, they know, they know
They know, they know, they know
They know, they know, they know
They know, they know, they know
