

Too Tight

Ralph McTell

Got my girl
Took a chance
We went to a midnight dance
But it was too tight
This rag o'mine

Too tight now, it's the most
Too tight, nearest past the post
Too tight, too tight, too tight
This rag o'mine

Too tight, it's the best
Too tight, better than the rest
Too tight, too tight, too tight
That rag o'mine

Too tight, now it's the most
Too tight, for us past the post
It was too tight
This rag o'mine

Too tight, it went to my head
Too tight, I should have stayed in bed
Too tight
That rag o'mine

Too tight, it's the most
Too tight, like dripping on a toast
Too tight, too tight, too tight
That rag o'mine
