Booby signin' it  
All the girls love me they be screamin' it  
Gotcha boyfriend on my DM wanna take a pic  
I be in the doctor coz people been tellin' me I'm sick  
And I don't play with no scrub, ew wanna take a lick  
And I ain't always bad  
But I am always lit  
Even when I'm feeling down  
All these people wanna hit  
There was one time they ditch yaa now they hit yaa  
They be asking for a feature I can't believe yaa  
Yare yare, now they switchin sides, dare dare  
Seeing we going up mereka acting funny  
They want a piece of this pie, get money  
Put a smile on their face, but they my enemy  
I'm wicked, call me lunatic  
Getting money like every week  
Me and Awich we killin' it  
Find me in Japan go boombastic

And we go bombay-ay-ay-ay-ay  
And we go bombay-ay-ay-ay-ay  
When we in the club the crowd go boombayeee  
Money on your face like utage  
And we go bombay-ay-ay-ay-ay

Face card valid, Bank roll brolic  
Don't get too close you'll be Awich-a-holic  
Cut it cut it cut it very soon you'll be crying  
Bombai ay from Tokyo to Bali  
Man the world should be worried cause 2 of the most Gila Gila Girls gotten together  
Whether you like it or not don't matter  
Blast the whole planet like Kamehameha

Me and Ramen throw it like judo  
Broke like who? Money long like noodle  
Ya man want to eat me like soup bowl  
I ain't give him non I just gave him kudos  
Gotta go gotta go got the Loophole  
Bustin' through the gate Wide open Pupils  
I ain't stopping for no Chatter  
About a mother lover thing  
When I touch down Indo Better get up
