Ramengvrl

Yuh, pullin' up in da club  
Like, whachu lookin' at, boy, whachu lookin' at huh  
Ooh, sippin' on some bub  
Like, whachu lookin' at, boy, whachu lookin' at me for

I work every day n night  
Yeah, I move so smooth, bitch I'm out of sight  
I don't need no man to treat me right  
But if you cute, treat me good, boy, I just might

Ooh, it's so delicious  
He know it, know it  
I smell so Gucci, yeah  
And they can't get enough of it  
The way I break you, yeah  
Gotta make a song of it  
Lalalalalala...

You really want me, boy  
You want a bitch like me, boy  
You wanna handle me, boy?  
Work hard for it!  
If you really want me, boy  
You want a bitch like me, boy  
You wanna handle me, boy?  
Coz I'm...

Coz I'm bossy  
You gotta want me (hey!)  
Don't test me  
Bossy bossy bossy bossy

Queen listen up (listen up!)  
Stop steppin' on each others' gowns (oops!)  
What's this on the floor  
I think you just forgot your crown  
Don't be afraid to make a mess  
Coz we so good at being bad  
Get that money get that cash (bling)  
Spread 'em all up on that ass (shake it shake it)

You really want me, boy  
You want a bitch like me, boy  
You wanna handle me, boy?  
Work hard for it!  
If you really want me, boy  
You want a bitch like me, boy  
You wanna handle me, boy?  
Coz I'm...

Coz I'm bossy  
You gotta want me (hey!)  
Don't test me  
Bossy bossy bossy bossy  
Coz I'm...

Bossy bossy bossy bossy...

(Bring the beat back!)

Don't test me

Bossy bossy bossy bossy

Coz I'm...
