When I die I be covered in cashmere  
When I die I be covered in cash (hu hu!)  
When I die I be covered in cashmere (CASH CASH)  
When I die I be covered in cash (hu hu!) (okay)

If you a rich bitch clap your hands (for me)  
If you a rich bitch clap your hands (hey)  
If you a bad bitch clap your hands (for me)  
If your a bad bitch clap your hands (hey)

I cop a check even when I'm layin' low  
If there's a beef I don't want it, I'm still eatin tho  
You can be proud of yourself but I still want some more  
I spend everything in cash, (caching) what you mean I'm broke

I got a lot of fans, but haters still be talking shit  
Ain't even a man, so why they suckin' on my dick?  
Every time these guys talking I'm like "can you pls be quick?"  
Cause I don't give a fuck, imma pull up with dat stick (ayee)

I'm not a fan of excess (no), but I feel good 'round my cash (checks)  
I put my berserk mode on (rraah) I might as well break their necks (claaack)  
Big names all up on my phone (brrp), which of your idol is next? (who)  
These so-called "rappers" wavin flags, I ain't even breaking a sweat

You got fans, you got style, but you still a basic bitch  
Post a selfie with some Lang Leav's, bitch I can't relate  
Everytime I drop some shit, they be like "slay olay" (olay)  
Turn up on a monday cause I get paid like everyday (aye!)

When I die I be covered in cashmere

I go to bed (BED) thinkin' bout what's next (NEXT)  
Say what you want (SAY IT), I don't even care (WHATEVS)  
I ain't got no birkin yet but I still get the bag (BAG)  
They won't admit it but I swear these bitches gonna beg

You say dat you da man but I swear you talk just like a drag  
I'm always down with this shit until these trees gone do me death  
I do this for my mama I ain't here for the drama  
If they don't understand I pray to God they get their karma

If they don't understand I pray to God they get their karma  
If they don't understand I pray to God they get their karma  
If they don't understand I pray to God they get their karma
