

Go Commando

Ramengvrl

Go commando, my boys on commando
Go commando, my boys on commando
Try to stop me but they can't, my boys on commando
Go commando, my team on commando
Go commando, go commando
Go commando, my boys on commando
Try to stop me but they can't, my boys on commando
Go commando, my team on commando

Money comin' fast, can't keep up my tempo
"Get my shit together," write that on my memo
If he talk much, gotta tell him boy, go
(Don't come near me)
Who got in and out? My team pass the info (What)
I got in industry fast, I'ma make sure this shit last
Gotta talk nice to everybody, that's what everybody asked
I been humble all my life, now I finally get to brag
All this noise don't get to me, just keep my eyes up on the bag
Gotta back up my shit
Gotta keep up that shit
Gotta walk that talkin' bitch
Gotta give back to the city, where they know my name
Chains go ching-a-ling
When I'm sippin' lean

Go commando, my boys on commando
Go commando, my boys on commando
Try to stop me but they can't, my boys on commando
Go commando, my team on commando
Go commando, go commando
Go commando, my boys on commando
Try to stop me but they can't, my boys on commando
Go commando, my team on commando

I was born for this I can't imagine doing other shit
I ain't got no Rolex but you know my time expensive, bitch
(I make time)
U see me go Bojack with my money when I'm off work
Now they on they knees when they meet me like they gon' twerk
Look at your self bitch
(Look at you, look at you)
Look at your self and explore
Fuck are you now bitch?
(Fuck are you, fuck are you)
Tell me the fuck are you now
I aim to do it biggy, 'til they can't do me iggy
Prolly why you never see me
All your friends they wanna be me
(Coz I'm the shit bitch)

Go commando, my boys on commando
Go commando, my boys on commando
Try to stop me but they can't, my boys on commando
Go commando, my team on commando
Go commando, go commando
Go commando, my boys on commando
Try to stop me but they can't, my boys on commando

Go commando, my team on commando
