In the back of his Ferrari, lookin' cocky  
I said I don't play no games, I'm not playing hockey  
He said he want me back back back back back  
He said he miss that kitty kitty kitty cat cat

He said he wantin' more what you askin' for  
Said I'm the only one that look good with his decor  
He said he want me back back back back back  
He said he miss that kitty kitty kitty cat cat  
Yah...

Can we just cut the useless conversation bout you and me?  
Don't really wanna hear your reason 'bout how we're meant to be  
I got your number off my phone, you're like a false memory  
But I got receipts of all your bullshit on my cheap USB

I mean of course  
Heard that you were bored  
You still on that childish shit with your friends keeping score  
And I'm still on top of things  
While I'm chillin' on the low  
You wanna get with me, the baddest bitch on your phone (yah yah!)

It's been only 32 hours 7 minutes since you left, left  
Why you worry bout me?  
I'm already on to the next, next LOL to the bank, feelin' GUCCI I'm in my bag  
Said you miss me, when you miss this kitty (meaw), now you're upset

(Like)  
A.B.C.D.E.  
Now can you just get off my property  
You should be on X cos you look like a meme  
Can someone please call security  
(Coz my ex is)

Tired of all the games and all the drama  
My Louboutin's can't get me outta quick enough  
I-I've been Staying breezy, booked and busy, easy peasy, uh  
If you wanna get with me  
You schedule an appointment duh  
Fame comes at a price  
I charge it to my card, don't think twice  
Sweet, sugar and spice  
I like it naughty, I like it nice  
Pull up in the club, stir shit up for the drama  
You and me it's 7 minutes in nirvana

I got peace of mind, don't need no therapy  
They let me cut the lines, they made me VIP  
Been putting fires out, been slaying enemies  
I've been slaying enemies
