Got me floating like a dream

Smoking on the bud  
Take a zip from the mud  
Got me feeling less the drugs  
[?] from my nuts  
Banging swinging paper chasin  
Trying to make my ends meet  
Shaking hands and kissing babies  
Take the presidential sweet  
Rolling up the indo  
Say what's up to six four  
[?] to the barbeques and talking to some kin folks  
Bitches they be trippin cus I haven't called them in a minute  
Look em in the eyes and tell them it's a money making mission  
This ain't no privilege  
I pay up my dues  
Them suckers be hating  
They say I'm too rude  
Fuck em I duck em  
They nothing I'm something  
My [?]  
Them boys cannot touch it
