

## CARTI FRAMES

Ramirez

The tales, nigga

Now let me kick you some pimpin'  
The rules are breakin' these bitches  
The money always come first  
And the pussy is never given out  
Break out your cash if you wanna touch my bitch's ass  
Label full of stallions, you comin' at your block, I smash  
The Caddy dippin', King Louie 13 I'm sippin'  
Dripped up inside of this mink coat  
The only thing that you kissin' is my  
Pinky ring, break a trick off, I go first  
Open up my mouthpiece, work my magic while you sit and slurp

Cold-

blooded pimpin' runnin' through my veins (Through my veins)  
I can never love a ho, I'm married to the fucking game (Bitch)  
Come take a look right through my Carti' frames (Hoes)  
Breakin' bitches, makin' money, slangin'  
Dope, it's all the same (Bitch)

Cold-

blooded pimpin' runnin' through my veins (Through my veins)  
I can never love a ho, I'm married to the fucking game (Yeah)  
Come take a look right through my Carti' frames (Bitch)  
Breakin' bitches, makin' money, slangin' dope, it's all the same

I know this nympho Rebecca comin' straight out of Texas  
She'll clean your crib while suckin'  
Your dick and cook you some breakfast, huh  
And now this Keisha pussy, a true deceiver  
Top of the list of gold-  
diggin' bitches, fuckin' rappers to feed 'em  
And then this Tracy tried to trap me with babies  
When it comes down to it, your old hoes age, that ain't Rami',  
baby  
So beware of these motherfuckin' tales  
'Cause these are the tales, the freaky tales  
These are the tales that I tell so well

Cold-

blooded pimpin' runnin' through my veins (Through my veins)  
I can never love a ho, I'm married to the fucking game (Bitch)  
Come take a look right through my Carti' frames (Hoes)  
Breakin' bitches, makin' money, slangin'  
Dope, it's all the same (Bitch)

Cold-

blooded pimpin' runnin' through my veins (Through my veins)

I can never love a ho, I'm married to the fucking game (Yeah)  
Come take a look right through my Carti' frames (Bitch)  
Breakin' bitches, makin' money, slangin' dope, it's all the sam
