MTM hit em with the heat

Ugh

My weed is potent, bitches suckin' dick while I'm floatin'

You see me coastin', top-down and cruising by the ocean

This shit too easy, gorilla came in, nobody seen me

I do my dance and you see me nationwide on yo TV

Ho' breaker, money maker, no captain save-a

Runnin' up them bands, I play the game like it was a SEGA

My bitches lookin' like Android 18

Rolling up some sticky weed and sippin' on promethazine

Hit my Dougie then I bag a bitch

Oh you flatterin'

Take my dick up out my pants and show me that you is a savage b
itch

Diamonds on my wrist, be speaking in Chinese

Saying bling bling, ching ching, making money be no thing

You ain't ever seen a boss, with the sauce, sippin' wock

Fuck the judge

Fuck the law

We gon ball

'Till we fall

Write my name out in cursive and let 'em know...

That Ramirez been ballin' since adolescence, sippin' on them 4'
