

# CROCODILE SKIN

Ramirez

Paintin' these pictures of Mona Lisa, hold my breath as the water deepens

The frostbite on my fuckin' wrist, it got me losin' feelin'

But I'm movin, shakin', millionaire eatin' eggs and bacon

Sippin' on my Kool-

Aid, face the blunt with all greed, no rotation

Better box a bitch if you wanna get with a pimp like me

Expensive habits, tailor-made suits, Rami don't fuck for free

Chevys I'm pushin' while you sleepin', I'm livin' out your dream

Swingin' my Cadillacs, do a motion while I'm on the green

Interior crocodile, alligator

I drive a Chevrolet movie theater

Interior crocodile, alligator

I drive a Chevrolet movie theater

Ayy, I'm movin' heavy, burnin' rubber off the Pirellis

Choppin' up the concrete up on blades, you know I'm ridin' dead  
Y

Imported sofas, marble tables, handcrafted coasters

Japanese knives, I'm touchin' money like my name's Oprah

Whippin' Mercedes, steady hustlin' on the daily

Rami don't make a fuckin' move unless you fuckin' pay me

Somethin' of legend, the way I pull up and strike with presence

Comin' down, it's lookin' like I came straight out from up the  
heavens

Interior crocodile, alligator

I drive a Chevrolet movie theater

Interior crocodile, alligator

I drive a Chevrolet movie theater
