I been breakin down these bitches
Since the tender age of thirteen
I don't fuck for free
You gotta pay a fee to suck on me
Most these suckas fake
And I can see it in yo eyes
I can crack you under pressure
You don't have to tell no lies
Yeah
Rami pulls up like a boss
Switchin lanes bout to floss
Fuck it throw it in the bay
No matter what the fuckin cost
Take the pressure send her off
Watch out who the fuck you cross
Son of Serpentine done came
Just to knock these bustas off
Your nigga, he a fuckin lame
And that's for sure
Break your purse wide open, bitch
I'll let you go
Project Pat and the Gorilla Pimp
Respect the flow
Better Swisha then I stuff it with
The Optimo

If you bustin then we bustin
We gonna bust back
Roll that sticky then ask migo, "where da bud at?"
We smoke woods, we smoke swishas
We smoke bitches too
Got a bitch that cook and clean
And like to lick me too
I feel sorry for the niggas that come after me

Gotta stick that like to chop you with no Japanese
Let me break you off this pimpin from the third degree
Bitch I'm twisted off the juice and methamphetamines
I need Lucy Lius, Baby Boos, and Pamelas
She like to suck me, fuck me, let me bring the camera
Let's make a movie with no budget in my GT
I'mma let it be known no one can fuck with me
