Lick my nuts, lick my nuts, suck my butt, suck my butt  
Lick my nuts, lick my nuts, suck my butt, suck my butt  
Lick my nuts, lick my nuts, suck my butt, suck my butt  
Lick my nuts, lick my nuts, suck my butt, suck my butt  
Lick my nuts, lick my nuts, suck my butt, suck my butt  
Lick my nuts, lick my nuts, suck my butt, suck my butt  
Lick my nuts, lick my nuts, suck my butt, suck my butt  
Lick my nuts, lick my nuts, suck my butt, suck my butt  
Lick my nuts, lick my nuts, suck my butt, suck my butt  
Lick my nuts, lick my nuts, suck my butt, suck my butt  
Lick my nuts, lick my nuts, suck my butt, suck my butt

Kickin' inside of yo' crib, I'm lookin' for murder  
I'm talkin' bout death, I'm takin' yo' breath  
I'm leavin' you fucked up with bullet holes all in yo chest  
You're crossin' the boundaries by runnin' ya mouth to the cops  
I'm wet up the block in slippery socks  
I fuck up the game and I'm leavin' your body out so it can rot  
Thinking you slick 'bout talking that shit  
But you just a bitch, I'm comin' equipped  
But Uzi the clip, I'm losin' my mind  
Poppin' these pills and I'm wastin' my time  
Servin' my sorrows, I promise I'm fine  
An eye for an eye, then we all end up blind  
The son of the devil, I stand in my prime  
The king of the wicked, my feelings declined

I know that you like it  
Why don't you just try it?  
You know you can't hide it  
Got you all excited  
Thinking about the pain inside, I'm losin' my breath  
Gripping on this TEC so it can relieve all this stress  
Thinking about the pain inside, I'm losin' my breath  
Gripping on this TEC so it can relieve all this stress

Lick my nuts, lick my nuts, suck my butt, suck my butt  
Lick my nuts, lick my nuts, suck my butt, suck my butt  
Lick my nuts, lick my nuts, suck my butt, suck my butt  
Lick my nuts, lick my nuts, lick my nuts, lick my nuts  
Lick my nuts, lick my nuts, suck my butt, suck my butt  
Lick my nuts, lick my nuts, suck my butt, suck my butt  
Lick my nuts, lick my nuts, suck my butt, suck my butt  
Lick my nuts, lick my nuts, lick my nuts, lick my nuts
