

IN DA TRUNK

Ramirez

(MTM Hit 'em with the heat) Bumper, drug 'em, fuck 'em
I don't love 'em, dump 'em slumped
Put 'em-, put 'em in a ho spot, take me-
Tie 'em-, tie 'em to my bumper, drug 'em, fuck 'em
I don't love 'em, dump 'em slumped
Put 'em-, put 'em in a ho spot, take me-
Tie 'em-, tie 'em to my-

The rain is dumpin', hear the thumpin' of the fuckin' thunder
I'm in the back of an old chevy, masked up with my gun up
I'm scopin' out lookin' for licks I'd split to make a come up
I'm smokin' cheeba pushin' down your block, here come the gunna
The come of night, the veil of darkness has my evil ways
The walking corpse nocturnal demons rise from out the grave
Move with precision, headlights dimmin' as I stalk my prey
Know when it's to kill or be killed, it's time to hit a stain

Bumper, drug 'em, fuck 'em
I don't love 'em, dump 'em slumped
Put 'em-, put 'em in a ho spot, take me-
Tie 'em-, tie 'em to my bumper, drug 'em, fuck 'em
I don't love 'em, dump 'em slumped
Put 'em-, put 'em in a ho spot, take me-
Tie 'em-, tie 'em to my-

Let's lay it down, hocus pocus, stuffin' the trunk of the crown
Don't make a sound, gag a motherfucker, tie 'em, leave 'em bound
No ones around, leave him lifeless in the woods just to be found
Killers surround, dig a grave and have him laying underground
You just a victim of a lick and I just hit 'em
"Redrum" was the letters written, bloodshot eyes impair my vision
Causin' affliction, bringin' damnations my mission
Scorchin' earth into submission
Lock and load the ammunition

Bumper, drug 'em, fuck 'em
I don't love 'em, dump 'em slumped
Put 'em-, put 'em in a ho spot, take me-
Tie 'em-, tie 'em to my bumper, drug 'em, fuck 'em
I don't love 'em, dump 'em slumped
Put 'em-, put 'em in a ho spot, take me-
Tie 'em-, tie 'em to my bumper, drug 'em, fuck 'em
I don't love 'em, dump 'em slumped
Put 'em-, put 'em in a ho spot, take me-
Tie 'em-, tie 'em to my bumper, drug 'em, fuck 'em
I don't love 'em, dump 'em slumped
Put 'em-, put 'em in a ho spot, take me-
Tie 'em-, tie 'em to my-
