Glock 45 stay strapped to my hip
Crazy motherfucker comin' with a long clip (boom, boom)
Bound by the 6, ski mask on my face
If you really got a problem we can settle shit mane (okay)
Cock them tones, enter my zone (okay)
Sending hollow tips, one shot then you gone (okay)
Ana on my chest, takin' out your last breath
I don't really think a punk motherfucker tryna test
Get buck, tear up the club
Gankin' in the set cause I don't give a fuck (no fuck)
Ride in the night with a pistol grip (uh, huh)
If you run your mouth then get your wig split quick
Cause the sanity I'm bleeding
When I step inside the court
I'm lookin' for the fuckin' murder
Torture bodies till they corpse, aye
