

## Out da Way

Ramirez

You see this playa pimpin'; cold-hearted, breakin' bitches  
I be tellin' you that I love you but I be doggin' women  
You see this playa pimpin'; cold-hearted, breakin' bitches  
I be tellin' you that I love you but I be doggin', doggin'  
You see this playa pimpin'; cold-hearted, breakin' bitches  
I be tellin' you that I love you but I be doggin' women  
You see this playa pimpin'; cold-hearted, breakin' bitches  
I be tellin' you that I love you but I be doggin', doggin'

Now, recently, I've been feelin' some type of way, nah  
My mind is sinkin' but all I'm feelin' is numbness somehow  
I'm stackin' bread over butter, hustler, don't walk in the ground  
My mama told me since a youngin, "You gon' wear a crown"  
Fuck up out my way, swervin' in that hoopty tryna get the pay  
Tote a K, just in case a silly nigga try to take my place  
Straight to the face, have him thinkin' he could play the game  
Pimpin' is the name, have a bitch last any time a day

Ooh, ooh, ooh, ooh  
Wouldn't want it any other way now  
Get the fuck up out my way now  
Ooh, ooh, ooh, ooh  
Wouldn't want it any other way now  
Get the fuck up out my way now

Pop a Percocet, it got me feelin' like a dream  
Never sweat the gold diggin' bitches only after one thing  
That's the thing, bro, never show a lot of money grow  
Done seen too many niggas fall by the hands of a dirty ho  
Grippin' on the wood grain  
You see me slidin' this spaceship deep in my head  
Up through water, pain, just tryna maintain  
Give a bitch a dirty frame  
And let her know that this pimpin' inside my blood is too thick and t  
his shit will never change

Ooh, ooh, ooh, ooh  
Wouldn't want it any other way now  
Get the fuck up out my way now  
Ooh, ooh, ooh, ooh  
Wouldn't want it any other way now  
Get the fuck up out my way now

Ooh, ooh, ooh, ooh  
Wouldn't want it any other way now  
Get the fuck up out my way now
