

Red Dot

Ramirez

Hahahahahaha

Fight, fight, fight

Fight, fight, fight

Fight, fight, fight

Fight, fight, fight

Pullin' up, I'm with [?] today since I'm bringin' you suffer
Ran up to your momma house, undertake her beneath the darkness
Listen to my demons chant as they bring me to your damnation
There's no salvation, we're fallin', angels will doubt you
I see you, red dot, red dot, send that boy [?] to school
Headshot, headshot, leave him life-critical
Condition, these bullets hittin' like thunder with no conviction

I strike him with visions so wicked leave him disfigured and missin'

Ride down to the Eiffel, bitch, I'm the almighty

It's the Gorilla from the grave, while black magic surrounds me

I spit the razor out my mouth then give your bitch-ass a [?]

Levitate, speakin' in tongues as I close my eyes and I suffer,
ah

Red dot, red dot, red dot (Know what I'm sayin', like)

Red dot, red dot, red dot (Know what I'm sayin', like)

Red dot, red dot, red dot (Ayy, ayy, know what I'm sayin', like
)

Red dot, red dot, red dot (Ayy)

Feel my pain

Catch you walkin', pussy, slack you with this 'caine (Uh-huh)

Crazy niggas all around me, they ain't tamed (Uh-huh)

I told you niggas, we are not the same (Okay)

We fuckin' on your shorty while you speakin' on my name, bitch

Ayy, I like 'em red, it's on your head

I ain't trustin' no Fed 'cause I'm a young black nigga, six-figure

That's your bitch, I like 'em thicker, then I'ma dick her, ayy,
yeah

You cannot see me, um, this ain't easy

None of these bitches know how to treat me

Take these motherfuckers out they spot

You sayin' that I can't, I'ma hit you with this

Red dot, red dot, send that boy [?] to school

Headshot, headshot, leave him life-critical

Red dot, red dot, send that boy [?] to school

Headshot, headshot, leave him life-critical
