

Six 4 Dreams

Ramirez

I'm in my Cadillac, chillin' like a fat mack
Smokin' on a fat sack, drinkin' on a pint of 'yac
I'm in my Cadillac, chillin' like a fat mack
Smokin' on a fat sack, drinkin' on a pint of 'yac
I'm in my Cadillac, chillin' like a fat mack
Smokin' on a fat sack, drinkin' on a pint of 'yac

Ay, hop out the '64, dumpin' clips, smoking cigarillos
A young Latino, knocking bass and I'm packing C notes
You know my stilo, sippin' 40's with' pimps and kinfolks
Stepping in the function, with alizé and a brand new nympho
Me and them other boys ain't cut off the same brick
I been, soaked up with game, now motherfuckers can't hang with
Them neighbors creased up, open mouth them gold teefus'
Don't be bangin' on my line unless you talkin' them big bucks
They is swangin' off the curb my bond is my fucking word
Blood is thicker than water but water quenchin' in my thirst
I don't trust in nobody, these streets just getting too cold
As I, stand on my toes, grip on the.44

I'm in my Cadillac, chillin' like a fat mack
Smokin' on a fat sack, drinkin' on a pint of 'yac
I'm in my Cadillac, chillin' like a fat mack
Smokin' on a fat sack, drinkin' on a pint of 'yac

Poured out the first sip of my 40 for my dead homies
Postin' and smokin' inside of the cut I'm by my lonely
Stackin' my paper, mack can come in exotic flavors
Don't got no time for you pussy bustas and instigators
I kick my feet up, Gucci bag, inside all my heaters
You see the cannon will knock you down and leave you in pieces
The clock is ticking, fingers itching, no room for slipping
Play your position, Rami came in through with the Magician
I live my life like I might die tomorrow
There's no point of feelin' sorrow
Cause all of my time is borrowed
I been knockin' on Death's door hoping I can get in
My time's wasted by drugs and the shit I get in

I'm in my Cadillac, chillin' like a fat mack
Smokin' on a fat sack, drinkin' on a pint of 'yac
I'm in my Cadillac, chillin' like a fat mack
Smokin' on a fat sack, drinkin' on a pint of 'yac
I'm in my Cadillac, chillin' like a fat mack
Smokin' on a fat sack, drinkin' on a pint of 'yac
