

The Final Chapter

Ramirez

Creeping up out the fog
Dimming the lights up on the bucket head lil' motherfuckers
With them
But I want his life, so fuck it welcome to the circle
As I pull the gauge up out my hip
Talk shit, get hit
Kendrick came through with an extended clip
Ripping the shit
Out of the burning flames with deadly aim
G*59 we still remain
You and I are not the same
I am forbidden from Heaven's terrain
Swim in the murky waters, hunting the prey
Captain Levi came to slay
Psycho, schizo and deranged motherfucker
