

## Torture Chambers

Ramirez

Suicide is all I think about when I lay in bed  
Screaming out, grey59 until the fucking day I'm dead  
Suicide is all I think about when I lay in bed  
Screaming out, grey59 until the fucking day I'm dead  
Lost myself so quickly when I drank the blood and hit my head  
Lost myself so quickly when I drank the blood and hit my head  
Suicide is all I think about when I lay in bed  
Screaming out, grey59 until the fucking day I'm dead

Fuck the cops, break the law hanging them pigs and burn em all  
Talking shit then we can brawl  
Cut up his body with a saw  
Filling the streets with all of my troops starting a riot I lurk in the coupe  
You let out the beast now I'm on the loose, you fucking with me then you hang from the noose  
Bitch you lost and you can not phase, the devil has come hes ending the days the judgement day and nobody is safe  
Burning a church, and bringing the pain  
Killing them busters fucking these hoes, I'm living my life like nobody knows I flock with the crows in the dark of the night  
I live by the sword & die by the knife

Suicide is all I think about when I lay in bed  
Screaming out, grey59 until the fucking day I'm dead  
Suicide is all I think about when I lay in bed  
Screaming out, grey59 until the fucking day I'm dead

Suicide is all I think about when I lay in bed  
Screaming out, grey59 until the fucking day I'm dead

Bitch I'm rolling duckets screaming fuck it jumping off a fucking cliff motivated by the evil that I carry in this fifth  
Henny got me stuck in a bind within my mind lucy got me tripping  
I can't tell if I'm wasting my time, why am I here today living my life day by I carry the pain inside of my heart I'm hurting myself I no longer feel safe, I wrote yo name inside of my note on top of my dresser right next to my pills  
I'm locking myself inside of my room I dony give a fuck how any one feels

Suicide is all I think about when I lay in bed  
Screaming out, grey59 until the fucking day I'm dead
