All my niggas shooters, grippin' on the fuckin' Ruger
Ace with the K, put that busta in his fuckin' place
Boy, you think you hard, my bullets comin' like his head spray
Make him do a backflip, he lookin' acrobatic, mane
Bitch, I am a beast and I'm the one that you don't test
Lurkin' in the grave for some suckers and their flesh
Creepin' on the come-up so you better place your bets
'Cause these hollow tips rangin' from your chest to your neck
You not fuckin' with my gang, gotta [?]
Bullets come down, hittin' any pussy in the way
Invading your home, roulettin' the 'K
So all that we speak in the dirt
So take us up there to my chest and I'm slittin' my wrists
I'm bounded by heaven from the bodies I hit

Tight grip on the TEC-9, now it's time to creep
Hollow tip in the clip, put suckers in the deep
Tight grip on the TEC-9, now it's time to creep
Hollow tip in the clip, put suckers in the deep
Tight grip on the TEC-9, now it's time to creep
Hollow tip in the clip, put suckers in the deep
Tight grip on the TEC-9, now it's time to creep
Hollow tip in the clip, put suckers in the deep
