

## Untraceable (Christy Mack)

Ramirez

Let's start them bands  
Let's start that work  
Let's start that [?] the syrup  
Making more money than flaking my trees  
Kicking the chopper shit that I receive  
Gimme the pile and I'll give you receipt  
The theory a legend nobody can hit  
Cut into something distribute it quick  
Came out the trash to fuck with you bitch

K whip it K  
We don't fucking play  
Check this always [?]  
Take a niggas life away

We smoking a dub  
The best I can budge  
Keeping it conscious am moving the profits  
I'm fucking the game and I'm doing it solo  
Making money yellow bombs  
Sinaloa riding car horns  
Jumping the border  
I sell it to presidents  
Fucking around and I become the president  
Watch ya'll boys shit  
Jump up on this whip
