Rifle with a scope so I see a fuckboy with a view  
30 stickin on my Trues  
Sorry I ain't have a clue  
Do my money dance  
Peel the gas, you see me sliding through  
If you thought that it was safe, pussy boy we watching you

Dogging the choppa the deadly array  
Off of the ye, sippin kool-aid  
Fuck a bitch shit with that knife and that nade

Middle finger to the pope
