

## Yung Urameshi

Ramirez

You don't want to see me use my blade  
Cause' when I use my blade it's done  
Urameshi with the shits, I'm pulling out the spirit gun  
Parasite lays in my flesh, now welcome to the demon's world  
Crushing, rising, fucking up the world  
I'm fucking up yo girl

Bitch I'm Yusuke with the fucking spirit gun  
Red and blue lights I'm on a run  
Blade up on my hip, let's have some fun  
Juggin' on the streets so here I come  
Ey Ey Ey  
Bitch I'm Yusuke with the fucking spirit gun  
Red and blue lights I'm on a run  
Blade up on my hip, let's have some fun  
Juggin' on the streets so here I come  
Ey Ey Ey

Choppa' on deck, pay your life to the fucking tec  
Ain't no beam don't disrespect  
None of my niggas take count of the threats  
Creep out the fog with the action bouncing off the wall  
Bloody murder screaming out with the law  
Rising from the grave, killing 'em all  
Possesin' bodies and I'm making them fall

Bitch I'm Yusuke with the fucking spirit gun  
Red and blue lights I'm on a run  
Blade up on my hip, let's have some fun  
Juggin' on the streets so here I come  
Ey Ey Ey
