

# Anxiety

Ramones

Anxiety, anxiety, keeps me happy  
Anxiety, anxiety, keeps me happy

Always stiff, all day long  
Nothing's right till it's all wrong

It makes no sense until I'm tense  
Always laughing at your expense

Anxiety, anxiety, keeps me happy  
Anxiety, anxiety, keeps me happy

Always biting on my nails  
Always stiff, it never fails  
Now I think I'll pick my nose  
Wipe it on my sweaty clothes

Anxiety, anxiety...

Always screamin' at someone  
Got a temper like a gun  
Hair trigger personality  
Anxiety, anxiety, keeps me hap-happy

And I'm crazy, crazy, crazy in a crazy world  
I'm crazy, crazy, crazy in a crazy world  
I'm crazy, crazy, crazy in a crazy world  
I'm crazy, crazy, crazy in a crazy world

A-N-X-I-E-T-Y  
A-N-X-I-E-T-Y  
Anxiety keeps me high  
Cross my heart and hope to die

Anxiety, anxiety, anxiety, anxiety
