Through dragon mist
Above alpine peaks
To the cloudy lace

I feel so safe

Southern winds, shining rays
Are all I need for flight
Flying way past hero
Paradise is just a sight

Through the distant blue
Above the highest stars
To the silent dark
Send you all my love

I feel so safe
Flying on a ray
On the highest trails above

Sinking into...

Every wish comes true
Most desired dreams
Happy endings too
Finally you find love

I feel so safe
Flying on a ray
On the highest trails above
