

I Wanna Live

Ramones

I've been thinking it over and I know just
What to do I've been thinking it over and
I know I just can't trust myself

I'm a gypsy prince covered with diamonds and jewels
But then my lover exposes me I know I'm just a damn fool

I give what I've got to give
I give what I need to live
I give what I've got to give
It's important if I want to live
I want to live
I want to live my life
I want to live
I want to live my life

As I load my pistol of fine German steel
I never thought I'd be so down and out having my last meal
But I know I can do it it just took a few years
As I execute my killer the morning is near

I give what I've got to give
I give what I need to live
I give what I've got to give
It's important if I want to live
I want to live
I want to live my life
I want to live
I want to live my life
