

I Want You Around

Ramones

I want you around I want you around

They're telling us
They're gonna make a fuss
About the two of us

I want you around
I want you around

I know what you're thinking about
That you must have some doubts
I know what you're thinking
When you find out I want you around

You know if it comes true
I'll be so good to you
I'll never treat you cruel
As long as I've got you around

I want you around
I want you around

You heard that I'm no good
Yeah, yeah I'm no good
But I'll treat you like I should

I want you around
I want you around

You know if it comes true
I'll be so good to you
I'll never treat you cruel
As long as I've got you around

I want you around I want you around

They're telling us
They're gonna make a fuss
About the two of us

I want you around
I want you around

I want you around
I want you around
