## Journey to the Center of the Mind

Ramones

Leave your cares behind Come with us and find The pleasures of a journey to the center of the mind Come along if you care Come along if you dare Take a ride to the land inside of your mind Beyond the seas of thought Beyone the realm of what Across the streams of hopes and dreams where things are really not Come along if you care Come along if you dare Take a ride to the land inside of your mind But please realise You'll probably be surprised For it's the land unknown to man Where fantasy is fact So if you can, please understand You might not come back Come along if you care Come along if you dare Take a ride to the land inside and you'll see How happy life could be If all of mankind Would take the time to journey to the center of the mind Would take the time to journey to the center of the mind Center of the mind
