

# Something To Believe In

Ramones

**A** **E**  
1. I wish I was someone else  
**D** **F** **G**  
I'm confused, I'm afraid, I hate the loneliness  
**A** **E**  
And there's nowhere to run to  
**D** **F** **G**  
Nothing makes any sense, but I still try my hardest

**F** **G**  
R: Take my hand Please help me man  
**A** **E** **F#** **D** **E**  
'Cause I'm looking for something to believe in  
**A** **E**  
And I don't know where to start  
**F#** **D** **E** **D**  
And I don't know where to begin, to begin

2. If I was stupid or naive  
Trying to achieve what they all call contentness  
If people weren't such dicks and I never made mistakes  
Then I could find forgiveness

R: Take my hand...

**F# D E** (4x)

**A** **E**  
\*: I can't be someone else I don't feel that it's hopeless  
**F** **G**  
I don't feel that I'm useless

**A** **E** **F#** **D** **E**  
I can't throw it all away I need some courage to find my weakness  
And with your love, I know with all my heart I can win  
'Cause I'm looking for something to believe in  
And I just need something to believe in  
I'm looking for something to believe in  
And I just need something to believe in
