

# Too Tough To Die

Ramones

I am a tu tu tu tu tough tough guy  
I tell no tales I do no lie

I am a tu tu tu tu tough tough guy  
Halo round my head to tough to die

Main attraction in a freak side show  
Down in the basement where the cobwebs grow  
On my last leg just gettin' by  
Halo round my read too tough to die

Rainy days rain cool wine  
I'll scratch your back if you scratch mine  
Hot sweat on my face  
I feel like goin' out someplace

Up late light my chocolate sweet  
Down at the gym where the muscle boys meet  
I am very nice guy very sincere  
In real good shape I have no fear

At the concert when the band comes on  
I am in the ring where I belong  
On my last leg just gettin' by  
Halo round my head too tough to die
