

# Ain't Gonna Give Up

RAN

Yeah, it's a brand new day  
Brand new day  
T's and jeans and a brand new J's  
Let the sun shine on my brand new shades  
Sippin' on a cup of tea and a crème brûlée  
I've been working so hard like Ye  
Stackin' money so thick like it's Kim Karda  
She don't wanna go home so we go to Bali  
Flying high like we're Jasmine and Prince Ali

Do whatever that you want  
Nothing to lose  
You only live once  
Show what you got  
And you don't stop  
Put in the effort and you'll be on top  
Be like Lebron  
Be like MJ  
Give it your all like Lionel Messi  
Practice and practice till you get your palace  
See into the future in your own galactic

Ain't gonna give up  
None can bring me down  
Ain't gonna give up  
None can bring me down  
You ain't gonna give up  
None can bring you down  
You ain't gonna give up  
None can bring you down

First, I like them fancy things  
I want designer bag, I want a diamond ring  
Not to mention that I'm payin' all the bills  
So I gotta put in work coz nobody else will  
Just finished 3 shows this week  
Plus I gotta write I ain't got no sleep  
Haters be talkin' but I ain't weak  
Imma keep my mouth shut while I keep my checks thick

Man, I go down in history  
You talk much you end up in misery  
Used to be a sad girl with no one missin' me  
Now I wake up to people tryna sound like me  
Do you know who I am? I guess not  
If you don't show respect, well good bye!  
Friends with a fake one? hell nah  
Boy if you know what you want baby don't give up

Ain't gonna give up  
None can bring me down  
Ain't gonna give up  
None can bring me down  
You ain't gonna give up  
None can bring you down  
You ain't gonna give up  
None can bring you down
