

Let Me Be

RAN

Engkaulah yang membuatku tersipu
Dan kaulah yang menghias hari-hariku
Jangan kau hapus mimpi-mimpiku ini
Bukakanlah pintu hatimu kepadaku, kasih

When I saw that cutie
I like the way she worked that booty
I love the way she dance, so groovy
I like to take her to the movie

I'm chasing you, girl with so much pace
I'm taking the chance, so I don't go to waste
I think it's love, it's more than lust
And for me, getting you is a must

Anytime you need me, baby I'll be here for you
Because everytime I need you, you were always there for me
I'll be loving you, oh baby, every night and day, and baby
Please, let me be your one and only...

Engkaulah yang membuatku tersipu
Dan kaulah yang menghias hari-hariku
Jangan kau hapus mimpi-mimpiku ini
Bukakanlah pintu hatimu kepadaku, kasih
Engkaulah yang membuatku tersipu
Dan kaulah yang menghias hari-hariku
Jangan kau hapus mimpi-mimpiku ini
Bukakanlah pintu hatimu kepadaku, kasih

Anytime you need me, baby I'll be here for you
Because everytime I need you, you were always there for me
I'll be loving you, oh baby, every night and day, and baby
Please, let me be your one and only...
