Django

Rancid

Get one thing clear,
First you live in fear,
Then you disappear,
Headlight, you're the deer,
Shift gear,
And I try to steer,
I see a tear,
It's so fucking insincere!

Django,
You drag your coffin around, you drag your carpet around, you drag your coff in around,
Django,
You drag your coffin around, all around town,
Just like a dead man does!
Just like a dead man does!
Just like a dead man does!
Just like a dead man, dead man, dead man, dead man!

Go have some fun,
So you belong,
Cocaine run,
Until you watch the fucking sun go,
Underground and
Never found,
And the drugs are around
Got ya tied and fucking bound.

Django,
You drag your coffin around, you drag your carpet around, you drag your coff in around,
Django,
You drag your coffin around, all around town,
Just like a dead man does!
Just like a dead man does!
Just like a dead man does!
Just like a dead man, dead man, dead man, dead man!

Solo!
Get one thing clear,
First you live in fear,
Then you disappear,
Headlight, you're the deer,
I said, shift gears,
And I try to steer,
I see a tear,
You're so fucking insincere!

Django,
You drag your coffin around, you drag your carpet around, you drag your coff in around,
Django,
You drag your coffin around, all around town!
