

## Killing Zone

Rancid

Drop bombs, You're gonna be warned  
You're gonna be scorned, You're gonna be torn  
There's a storm hittin' your home, not a false alarm but a real  
one  
Can't trick it, let's wake up, can't stick it, pick it lines st  
riking  
If you like it, don't fight it, just hold it, then want it

Head straight to the killing zone, Now the war's on

All the nights of constant run, if you're the one, well now you  
're bombed  
Sail on, Mr. Dumb One, you got a shot gun, hit the marksmen  
Complex thoughts here, he don't live here, keep the war there,  
just to control there  
Without a care here, you should just see there  
Start a war there, cross the boarders
