

Rwanda

Rancid

Rwanda yeah your moon shines bright
Rwanda over planned genocide
Rwanda, won't you be strong like a lion

Tune in the transistor
And listen to the news
Cause once a week it hits ya
Heart broken and blue
It's the voice over Africa
so stop peregrination
So listen very closely to half a million dead souls

Rwanda yeah your moon shines bright
Rwanda over planned genocide
Rwanda, won't you be strong like a lion

It's complicated when facts come slow
Mass destruction mass confusion
Whats the difference to the orphan
Orphans of the dead
When no more machine guns strike and there's silence instead

Rwanda yeah your moon shines bright
Rwanda over planned genocide
Rwanda, won't you be strong like a lion
