

## Evidence

### Random Encounter

[Maya:] It was nice of the Judge to let me tag along with you  
[Wright:] He gets kind of weird and antsy waiting for conclusive evidence

[Maya:] Yeah, speaking of... what exactly are we looking for?

[Wright:] Anything that proves you didn't murder Larry Butz

[Maya:] Right!

[Wright:] Some clothing, some blood, any loose thread that we can pull on

And if we pull on it hard enough

Gumshoe's whole story will start to unravel

[Maya:] Okay...

Clothing, blood, got it

[Wright:] A drop of blood could blow this wide open

[Maya:] A bit of cloth could wind up the key

[Wright:] A pair of prints could change the whole trial

[Maya:] A single thread is the thing we need!

(Hey, Nick! I found a Magatama)

[Wright:] A couple cracks could make a big difference

[Maya:] A minor flaw could solve the whole case

[Both:] A single thread could be our undoing

[Oldbag:] I'll take that!

[Maya:] Hey!

[Wright:] That's our evidence!

[Oldbag:] That you found on my roof!

[Wright:] Give it back, Oldbag!

[Oldbag:] This will make a great gift for my Edgie-poo

[Oldbag:] Nothing slips past old Wendy Oldbag!

No one escapes my baggy eye!

That's right, you gotta be quick to beat the Oldbag!

Now get off of my roof and say goodbye!
