

## Freddy's Lullaby

Random Encounter

Hi there, I'm Freddy  
Wanna come and play?  
I think you're special in your own way  
I'd love to sing a song with you  
It's my favorite thing to do  
Cause I love you through and through

Come play with Freddy  
Play the night away  
All Freddy's friends have come here to say  
We'd love to sing a song with you  
It's our favorite thing to do  
Cause we love you through and through
