Froggy

Random Encounter

I'm looking all over Froggy!
Oh, where could my Froggy friend be?

He's bouncy and rouncy and he's toggy!
Froggy can run but he can't hide from me!

Will somebody help me find Froggy? He's green
And he looks like a toad!

He has a long tongue like a doggy!
And he eats crickets and flies all a load!

Froggy and I would go fishing!
And we'd sleep!
All-day!

And now I'm all alone and I'm wishing that my Froggy had not go
ne away!

My Froggy needs someone to find him!
To hunt him down relentlessly!

I'll always be there right behind him!
I love my Froggy and Froggy loves me!
