

## Ganon Claus

### Random Encounter

A time ago, and far away  
There was a distant land!  
And in it lived a handsome brute  
A grouchy, greenish man!

He beat to death a gangly elf  
And led the Gerudo Clan!  
He was known as the dreaded Ganon Claus!

"Oh, I know that story!"  
"You do?"  
"Sure!"

Old Ganon Claus had sacks of gold  
He gave to those in need! ("He what?!")  
He'd Ho-ho-ho across the snow  
Upon his noble steed!

-And then  
In every town, he'd trample down-  
-All those practicing greed, ("Hey!")  
Says the tale of the gracious Ganon Claus!

"That sounds ridiculous, and completely made up! And where'd you get that flugelhorn?"  
"Beats me!"

Now Ganon Claus was pretty bad  
His evil knew no bounds! ("Oh, dear!")  
-I heard he did much nicer things-  
-Like burn stuff to the ground! ("Yeah! Wait-")

He killed off Gorons, Zoras  
And that guy who goes around-  
...and around... and around... and around...

"That guy kind of looks like Brentalfloss..."

...and the world feared the wicked Ganon Claus!

There came a day when Ganon Claus  
Caused Hyrule's hope to fall!  
He took the Triforce, then proclaimed...  
-"Merry Christmas to you all!" ("No, he didn't!")

Put his Rupees in charities  
And gave his mom a call! ("MOM?!")  
Oh, that merry and caring Ganon Claus!

"No, no, that's not how it went! You completely screwed up the whole song!"
