

Marry Me, MeeMee

Random Encounter

MeeMee, here's my query
Could we possibly get married?
(No's not an option...)

We could have some children
Maybe two or a few zillion!
There's always adoption...

You know I'm attractive
'Cause I stay so active!
I'm just oozing charm!

Hey Bad-Boon, get a clue!
I'm not interested in you!

Yes, so I've heard! You've made that known!
But I've noticed that your friends
Face a most abhorrent end
And will soon plummet from their summit if left alone!

So MeeMee, if you agree
To join the Bad-Boon family
I will save your precious friends!

Are you listening with your ear?
Am I being crystal clear?
Do you accept my marriage proposal
My dear MeeMee...
