

## My Date With Captain Falcon

### Random Encounter

Time for your Falcon Date  
Falcon is never late  
Dinner and roses await  
By the way, you're going Dutch  
Reservations for two  
"Falc!" is the name he used  
"May I bring drinks?"  
He'll do, one "FALCON PUNCH!"  
Cause Captain Falcon's here  
To whisper in your ear (Falc!)  
Sweet nothing that appear to be the only things he says  
(Yes!)  
And if you start to choke  
He'll do the heimlich till your back is broke (Come on!)  
And you may feel as though he caused a stroke  
But Captain Falcon saved your life  
(Show me your moves!)  
So far as dating goes  
This has been awful! (Yo!)  
"Please pay your check, sir." "No!"  
Then they threw us out  
Falcon then hatched a plan  
To see the ice cream man  
When it slipped from his hand  
(RAAAAAAAAAAAAAAGH!)  
Then he gave a Falcon Shout  
Then we walked to my door  
Well, we ran, really  
I gave him a hug, though  
He got a bit feely  
Then, as the music soared  
He went for a kiss at my door  
Then he shouted "Falcon Call Me!"  
A request that I ignored  
He's Captain Falcon and  
We are his private mariachi band
