

Rhythm Thief The Musical

Random Encounter

Phantom R...

The boy who duped France's finest...

They call him an art thief

But I know the truth

And the truth is...

I'm the rhythm thief

My name is Raphael

As you can tell...

I'm the Rhythm Thief

This coin's my only clue

To find my dad;

It's got a match at the Louvre!

Rest assured, art I've procured

I'll only use for it's clues

And safely return!

Now it's time for the show!

Hit the lights! Here we go!

My heisting's enticingly feisty, I know!

"Take care of the place until I get back, Fondue!"

Drat! That Phantom R

Escapes my grasp

But he cannot be far...

I've got a hunch he's on the move...

I'll chase him down

And catch him at the Louvre!

You like to dance with the finest of France?

Well, we'll see in Paris

Who it is who is laughing last!

Today's the day you find crime doesn't pay

As I grin and bring you in

Thanks to Vergier!

"Do I know you?"

"No... You know, I just have one of those faces..."

"You look familiar..."

"Thanks... You do, too."

Gentlemen, please save me

From a man who's raving

'Bout a "Dragon Crown!"

I think he's evil, and I believe he'll ("Hey! It's that symbol!")
